Hi Ryan,

Made some editorial changes and added the FR citations and links to the website. I could not track down the Feb/March 2017 reference, but if you can send me a little more information, I'll get this to you.

Fees Rule Team,

Attached is a draft Response to Comments document for your review. Note there are a few placeholders yet. We welcome any and all feedback, including editorial and substantive suggestions on the content of the responses. Ideally, if you could review and provide comments or edits to me in track changes by COB this Friday, I'll incorporate over the weekend and have a cleaned up RtC, Preamble and Reg Text to share with the workgroup on Monday. The goal is to have drafts ready to share with Mark on 8/15, and drafts for OCSPP on 8/16. As discussed earlier this week,
